

Compliance declaration according to 2011/65/EU (RoHS) and 2015/863/EU (RoHS 2)

Dear valued Customer,

this is to certify that all products supplied by THERMOTEX NAGEL GmbH COMPLY WITH the requirements under European Union Directives **2011/65/EU (RoHS)** and **2015/863/EU (RoHS 2)** that restrict the use of certain hazardous substances in the design and manufacture of Electrical and Electronic Equipments.

These products do NOT contain the hazardous substances listed in these directives – namely Lead (Pb), Mercury (Hg), Cadmium (Cd), Hexavalent Chromium (Cr(VI)), Poly Brominated Biphenyl (PBB) flame retardants and Poly Brominated Diphenyl Ether flame retardants including Deca-BDE, Bis(2-ethylhexyl) phthalate (DEHP), Butyl benzyl phthalate (BBP), Dibutyl phthalate (DBP), Diisobutyl phthalate (DIBP) – above the maximum allowable concentration of 0.1% by weight in homogenous material (0.01% in the case of Cadmium). We do not intentionally manufacture our products with these substances above this threshold limit nor are these substances known to be present in our products above this threshold limit based on information provided by our raw material suppliers.

It may be noted that according to legislations enacted by the EU directives, providing test data or material declarations to prove RoHS / RoHS 2 compliances is not required. Testing of each product manufactured by THERMOTEX NAGEL GmbH is neither feasible nor practical and hence THERMOTEX NAGEL GmbH would continue to provide declarations of compliance to customers.

This declaration is correct to the best of THERMOTEX NAGEL GmbH's knowledge, information and belief and this declaration is for guidance purpose only and not to be considered as a warranty or quality specification. Product users are responsible for determining the applicability of RoHS / RoHS 2 and other related environmental regulations based on their individual usage of the final product. If you require any clarifications, please feel free to contact the undersigned.

THERMOTEX NAGEL GmbH thanks you for your business and we look forward to your continued support.

Sincerely,

January 2022
