

## Declaration of conformity: 2019/1021/EU (POP-regulation)

Dear valued customer,

we hereby confirm that all products supplied by THERMOTEX NAGEL GmbH fulfil the requirements of EU-Directive 2019/1021, which restricts the use of persistent organic pollutants (POP) in the development, manufacture and import, as these are suspected of being harmful to health.

We do not intentionally manufacture our products with these substances above the limit specifications, nor is it known that these substances are present in our products above the limit specifications. We also refer to information from our raw material suppliers.

This declaration has been created to the best of THERMOTEX NAGEL GmbH's knowledge and belief, is for guidance only and is not to be understood as a guarantee or quality specification. Should you require further information, please contact our quality management.
